RSR Health Guarantee:

We at Riverside Retrievers will stand behind and guarantee our puppies until they reach one year of age, regarding any congenital (born with) health problems that may arise. A vet must confirm this and records be provided to Riverside Retrievers stating the health problems. Riverside Retrievers has the right to require the puppy be returned at the buyers expense to be checked out by Riverside Retrievers vet. If it is confirmed congenital health problems the puppy will then be replaced with a puppy of equal value. The buyer is responsible for all shipping expenses.

RSR Hip Guarantee:

Riverside Retrievers puppies are guaranteed against hip dysplasia until 24 months of age. The following requirements must be met in order for the 2 year guarantee:

1. If a female, she cannot have been pregnant at any time.
2. Must have x-ray documentation sent to OFA for reading with "poor" results.

If the puppy should have documented hip dysplasia, Riverside Retrievers will exchange for replacement puppy of equal value.

RSR NuVet Supplement:

Due to the varying kinds of food and different environmental conditions the puppies come in contact with; and the fact that all puppies have immune systems that take time to mature, the terms of this guarantee will not be honored unless they are given NuVet Vitamins as directed by the manufacturer, for the entire one year congenital health guarantee and the two year hip dysplasia guarantee. Failure to do so will render this guarantee null and void. We also highly recommend you continue to give your pet NuVet Vitamins beyond the guarantee period to promote optimal health for a lifetime.

Buyer agrees to have puppy examined within 7 days of purchase date by their veterinarian to insure that they have received a healthy puppy. Failure to do so renders this contract null or void.
